Mindy,

Welcome back. Thank you for getting OW's attention on this effort before leaving. However, as you can see from the message below, they are now very anxious to get buyoff on this and various letters.

I am hoping we can find some time Monday or Tuesday to meet on the outreach efforts so we can capitalize on Allison's energy and focus.

Please let me know if I can schedule something soon. Thanks, Kathy

Hi Kathy! I'm hoping with your consent, we can put the final tweaks to our rollout plan and then share it with Dave and Lee to see if they are on board with our proposed general approach. Then, I would the plan by OPA and OCIR to see if they are also on board with the approach/have any edits to the plan, and then finally, we start document production (the letters)! Please see that I added some suggested dates for the various actions. Let me know what you think. Thanks! -Allison
